

# Fruit Full Rain Produces Abundant Harvest!

---

Spring has come to Texas and we are seeing the results of ***THE FRUIT-FULL THINGS OF THE LORD.***

The cold & the rain have passed and we are loving longer days and more sunshine. With all the rain that we received this year the Texas Bluebonnets are

## **FRUIT-FULL RAIN = ABUNDANT HARVEST.**

Cyndy and I just got back from the mid-west where we held a **FILLIONAIRE WEEKEND** that was surrounded by **MIRACLES**. We wanted to encourage the people that God is with them in the midst of the storms. We spoke to the storms to dissipate and none came. We had been speaking to the rains to stop in the area we were going to, they moved and went around **Omaha, Nebraska & Council Bluffs, Iowa**. Even while we there, waters were going down and highways that had been closed were opening back up. Farmers were having to move large amounts of stored grain from last year for they would not get ruined by the floods. Some peoples homes and fields got flooded but the church & strong pastors were there to be a blessing bringing clothes, buying beds & making sure everyone was ok. We were using our faith, with the church for them to shine in the midst of the storms and be **FRUIT-FULL**.

Look at Colossians 1:9-10 NKJV

*For this reason we also, since the day we heard it, do not cease to pray for you, and to ask that you may be **FILLED** with the knowledge of His will in ALL wisdom and spiritual understanding; That you may walk worthy of the Lord, **FULLY** pleasing Him, being **FRUITFUL** in every good work and increasing in the knowledge of God.*

In April, we celebrate **EASTER**. It is a time of

**MIRACLES**, of the **RESURRECTION of JESUS**, & a time of His FRUIT-FULLNESS in our lives. You are called to shine in the darkness and be FULL of His love to the point that you overflow with blessings, so that everyone around you can experience ALL God has for them! Make sure and invite someone to church this month. People are looking for answers and you have them!

This is a time to declare the Glory of God to ALL the World!

## **God is Saying:**

*The pressure has tried to be strong against you but you will see that change this month, a release of things that you have struggled with in the past will now be taken care of supernaturally by the spirit, especially in the areas of financial flow. **It is what you have been praying for — Churches will see an increase of finances, businesses will have more and as a result, your personal income is blessed, also.** No more sucking up of finances, no more destruction, and no more waste. You have sown and you will see the fruits of your labors. As you pray in the spirit it will release more blessings and it will include the financial flow which is increasing and your overflow is in motion. This will be a testimony to My faithfulness and a refreshing to your spirit. Begin to rejoice because you will have all that you need and from this day forward it will increase. You have an increase of the fruitfulness of the financial flow in your life and others will notice that you have moved up to a new level of joy and happiness.*
