

GOD is Repositioning YOU

For many of you, school has just started again and schedules are changing and summer is over and it is time to get organized. The summer seemed to go fast, but August felt bigger than usual. It is because:

God is repositioning you for a new position in Him.

He is giving you a NEW PLATFORM and a NEW

POSITION in Him that carries with it more authority, more miracles and He is taking you to a NEW LEVEL.

Our oldest granddaughter is on the volleyball team at her school. Last year in 8th grade, she started on the “B Team,” and was an alternate for the “A Team” if they needed her, but she still had to show up for all the games. She went faithfully and stayed the course, she worked hard and won herself a position on the A Team, so she could play and progress.

Then this summer she went to extra camps & pushed herself to be better with 6 AM practices. She tried out for the team this year and secured the position of “LIBERO.” This position is the most skilled defensive player on the team, and wears a different color jersey and she can replace any back row player any time. This level of play is what she prayed for and worked to get. ***She got A NEW POSITION.***

Her determination this past year reminds me of Daniel in the Bible. He had an excellent spirit that made people notice his strength and character.

Then the king placed Daniel in a high position and lavished many gifts on Him. He made him ruler over the entire province of Babylon and placed him in charge of all it's wise men. Daniel 2:48 NIV

You have stood, you have prayed, you have stayed

true to God, His Word, the Lord Jesus and have walked with the Holy Spirit. If you need to make adjustments, you make them. If you need to repent, you do. God is raising you up to a new position in Him with a new authority and a new level of dominion over:

- Your Finances - Command them to come in.
- Your Health - Command your Body to be strong.
- Your Fulfillment - Command your promises to come true!
- Your Miracles - Command your miracles to flow!

GOD IS PUTTING DANIEL'S IN POSITION FOR KINGDOM PURPOSES!

Talking about New Positions

I am teaching 2 days a week as an instructor for the new **Kenneth**

Copeland Bible College

(KCBC). This semester, I am

teaching Heritage of Faith & Christ, The Healer. Please be praying for me,

as I **add on this assignment from the Lord** to minister to these

students.

Word from the Lord:

God is putting you back in charge of your life. He is not going to

*micro-manage you because you are not a child. You are His warrior & you need to fight these battles. Wear the armour that was given to you. You are His commanding officer and can use the WORD, with **BOLDNESS**. Today, you are His ambassador & He needs to send you into high places to change things. You have the Holy Spirit inside you, you can take command and dominate your circumstances with a new authority. Your position is changing. Many times you just need to **take a step of faith forward** and movement starts happening. The leadership anointing has landed on you to help lead people into the Promised Land. **GET READY FOR A HIGHER POSITION!***
