

A Series of Miracles!

Miracles

Have you ever needed a miracle? Many times we think that we can only have 1 miracle, but that is not true. God has lots of miracles for us, we just have to learn how to get into the miracle flow. For example, Joseph was a slave and look what God said about him:

"And the Lord was with Joseph & he was a prosperous man & he was in the house of his master the Egyptian." Genesis 39:2

Joseph learned to believe God for miracles and not to be affected by the circumstances all around him, but to operate in faith and to know that man did not give him prosperity but God did. He did not gripe or complain but instead he always served faithfully.

Joseph was sold by his brothers, became a servant, then was falsely

accused & ended up in prison, He interpreted dreams and was forgotten, but that is not the end of the story.

Miracles Happened

Pharaoh called for Joseph because he had heard he could interpret dreams. He told Joseph his dream Joseph responded: ***“I cannot do it, BUT God will give Pharaoh the answer he desires.”*** Joseph then explained the interpretation and why the dreams came like they did. Look what Pharaoh did next in verse 41 ***“I put you in charge of the whole land of Egypt.”*** Talk about a miracle of FAVOR!

Joseph went from the prison to the palace in 1 day but he had prepared for this day of promotion all of his life.

HOW TO GET MIRACLES LIKE JOSEPH --

1. Have a DREAM to fulfill your destiny.
2. Forgive even when others sell you out.
3. Serve others like you would want to be served.
4. Speak only good & be an encourager.
5. Walk in wisdom and give honor where due.
6. Be a person of your word & walk in integrity.
7. Be a saver & store up for your future.
8. Learn to be a giver & give more than expected.
9. Walk with God no matter what is going on around you.

You can have a SERIES OF MIRACLES just like Joseph did when you do these things. Such awesome principles for us to follow.

Pray this:

God --

I love you and I trust you for miracles in my life. I ask you for joy in the midst of all of these situations and I look to you and I look to your word. You are changing me from faith to faith and from glory to glory! I ask you for a series of miracles to get me in at the right place to do what you have called me to do. Thank you for your blessings in my life. Amen!

An Encouraging Word from the Lord:

I have Miracles for you! I have miracles that will open doors, and put you in the right place at the right time. Stop struggling, stop trying to

do it on your own, instead rest in me, move into peace and let me do it. The more you try to do it in your own strength, then the harder it will be because you can't do it. Stop creating commotion, instead move into the supernatural power of resting in me. Learn to trust me even when you don't feel like it because I have things in motion for you and I have miracles for you. It will get easier as you go along and know that I am right there with you in the midst of all of this. Your day of victory is close at hand!

March Partners Update:

We are so thankful for our partners that have come along side us in Reaching Nations & Generations!

We have 2 specific marching orders planned and everything is falling into place. These 2 trips to Europe have come together supernaturally. We are excited about the churches that we get to go and minister at. Plus, we are studying these countries that we will be visiting and making video to pray and prophesy over these places. God has been talking to us about the port cities and the capitals for these specific nations. We are moving full steam ahead towards everything God has for us. We appreciate our partners who help make all of this possible & thank you for your giving! Keep praying with us, using your faith and believing God. WE LOVE YOU!
